The Fellowship needs your help.

Due to the changes the fellowship is experiencing, because of the COVID-19 pandemic and the move to online meetings, sales of AA literature have dropped significantly in April by around \$20,000. It is forecasted that this will get worse over the coming months.

AA is reliant on literature sales and 7th tradition contributions to remain effective. This sudden drop in income is having a detrimental impact on our ability to carry the message and it is very important that we protect our financial prudent reserve as much as possible, to ensure that the General Service Office continues to serve our Fellowship.

Therefore the Board is asking members and groups to review their 7th tradition contributions and in the spirit of being self-supporting donate their excess funds to the General Service Board.

Donations for members are gratefully accepted too. All personal donations of \$2 or more are tax deductible.

To donate, go to this page.
